

IRELAND SACRED SITES TOUR

August 26 - September 4, 2014

"An amazing intimate experience"

Our journey will consist of visits to powerful, internationally acclaimed sites, as well as locally known mystical treasures, specially chosen to renew and deepen our connection to the mysteries and spirit of our human journey. Each day we'll take time to incorporate healing traditions into our journey. These are optional and will include Energy Medicine, guided meditation, EFT, and Celtic ceremony. Each is chosen to facilitate a deep connection to ancestral energies and our own spirit.

In our 10 day, 9 night journey to stunning and mystical Irish places we will visit:

- New Grange Passage Tomb
- Mounds and Stone of Destiny at Hill of Tara
- Ireland's spiritual center, The Hill of Uisneac
- Rathcroghan, with Mike Croghan to do some dowsing, visit Stone Circles, Dolmens, Holy Wells and Sacred Trees
- Stunning natural vistas of Connemara, including Maumeen's Pass, where we retrace Patrick's journey to the Holy Well
- Breathtaking cliffs, pristine ringforts, and barren wilderness of the Aran Islands, considered by ancients as the entrance to the other world
- Exploring the Burren, including an afternoon with local poet and folklorist Pat Mc Cormack, the Cliffs of Moher, and Brigid's Well
- Kilmacduagh's Round Tower, and more!
